KOLOA SUGAR HAS PROSPEROUS YEAR

Reports read and heard at the annual meeting of Koloa Sugar Company were of a satisfactory character.

The company carried forward a profit and loss account on that date of \$479,894 as compared with \$324,387 December 31, 1913.

Gross profits earned on sugar merchandise and sold during 1914 were \$165,531.75. The capital stock is \$750,000, and total assets December 31, were \$1,453,295.

Ernest Cropp, manager of the Plantation reported the total 1914 crop, 8572 tons from 1982.5 acres. The acreage for 1915 crop is 1935.8 acres.

"We commenced harvesting this crop December 15th, and have manufactured, on February 12th, 2041.25 tons of sugar, against 1375.31 tons last year. We expect about 9000 tons of sugar," he said.

The area harvested in 1916, will be 2041 acres, concerning this Mr. Cropp said:

"Owing to the rainstorm we experienced in September, part of the cane we planted in Mahalepu and Puhi had to be replanted late and is rather backward; also the ratoons in the mauka unirrigated fields suffered by the cold winds and dry weather of January."

The 1917 crop area will be the same as in 1916. Two hundred and thirty acres had been plowed December 31 last.

The manager stated that "the mill has done much better work since we have installed settling tanks in the off season to relieve the 'Kopke clarifiers.' Still I would recommend to do away with the Kopke Clarifiers and put in modern presses to handle the juice."

"We have put up fifteen new laborers' houses and are rearranging our old Camp at Koloa and putting it in sanitary condition. I most particularly request you to keep up this work, as we are seriously handicapped by the scarcity of labor."

The officers of the company were re-elected, as follows: Rev. Hans Isenberg, president; R. A. Cooke, vice-president; J. F. C. Hagens, secretary; Geo. Rodiek, treasurer; and C. H. Wilcox, director. A Haneburg was again elected auditor.

At any rate, it is announced that their specialties are juggling, wire-walking, trick bicycle riding and marvelous mystic feats. Eddie Fernandez is authority for the statement that the company is a good one, and he ought to know. A line of new motion pictures accompanies the actors.

The opening program will be in Waimea tomorrow evening, and there will be a "repeat" at the same place the following evening. Makaweli will have the show Friday evening, Kekaha Saturday evening and Elele Monday and Tuesday evenings. Further dates will be announced later.
